Hospitality Rider:

Lodging:

When lodging is part of the agreement with the promoter, we ask that you provide a minimum of two (2) rooms for 5/6 persons. The rooms shall be available until the day after the performance in order to comply with checkout times and hotel rules. Please list the name, address and phone of the hotel being provide. Rooms should be located within a 10min drive (max) of the venue. Internet access at the hotel via either wireless connection or high speed is a recommended.

Food:

For dinner, please provide a hot, healthy meal for 5/6 in a dining area near dressing rooms (or in dressing rooms if they're large enough). Our goal is to have a convenient meal for the artists so that they do not have to leave the venue between sound check and performance. Usually the band would prefer to eat dinner 1 1/2 hours in advance of the performance time.

If the above is not possible, then the venue manager may choose an alternative option: a food buyout for four people at €20 per person to be paid to the band manager in cash three hours before scheduled performance time.

There are no vegetarian people in the band.

Dressing Room:

A lockable dressing room/warm up area with key to be presented to the band manager upon arrival to the venue would be greatly appreciated.

Security:

At all times the stage, backstage, dressing rooms, loading dock, etc. are to be reasonably secure from public access.

The venue manager is responsible for any inconvenient caused to the instruments or personal belongings of the artists.
